## Payment Methods - 3 ways to pay

- I will accept payments via iZettle Tap, bring your debit card on the day of pickup at Wivenhoe - Order & Collect, No Cash these days, which is probably more convenient for everyone.

Tap orders should be completed by Friday 16:00, so that I can confirm availability and get your order ready for Saturday.

- I can accept direct transfer into our bank account (which takes longer to clear & confirm), so this should be completed by Thursday 17:00. This allows time for me to check payments and complete your order on Friday. Bank details will be supplied on my invoice.
- I can send an iZettle invoice, which contains a link, this enables you to pay online at iZettle, these orders should also be completed by Thursday 17:00.

It's best to order early, in case I don't have exactly what you want.

## Delivery

- I can send via post (£3.00 2nd class post), orders for 3 - 4 bars, for customers who prefer not to venture out. Obviously there is no cut-off time for this, but Please provide **your postal address** with your order.
- You can collect your order at the market Saturday morning, between 11:00-1200.

## Stock

I have most types, although some I have only in certain sizes (larger/smaller) cost pro-rata by weight. I will attempt to complete your order with the types you ask for, but it is helpful if you provide alternatives (or can be a little flexible) as I have had considerable demand recently and there is a lead time upon making new batches. I am having to restrict to 4 bars per order. I will select the size depending on availability.

Unfortunately, I can no longer offer 3+ soapbar discount at the moment, this really only applied to cash orders, this is due to the extra iZettle fees I'm paying, I'm sorry.

I hope these new arrangements help you to buy your soap.

Best Wishes - Christian

PS Please do not message me on Facebook, a direct email is the best way to get in touch. Thank you.
